## SKILLS

- TECHNICAL SKILL
  - ▶ [Java /Kotlin](#)
  - ▶ [Python](#)
  - ▶ [ASP.NET , C#](#)
  - ▶ [Android](#)
  - ▶ [SQL , PHP](#)
  - ▶ [C++ , C](#)
  - ▶ [Swift](#)
  - ▶ [Html, Css , JavaScript](#)
- NON-TECHNICAL SKILL
  - ▶ [UI / UX](#)
  - ▶ [Time Management and Adaptability](#)
  - ▶ [Creativity and problem solving](#)
  - ▶ [Decision making and Team work](#)

## EDUCATION

- [RK UNIVERSITY](#)  
BCA (Bachelor of Computer Applications) 08/2021 - 07/2024
  - ▶ Coursework in Algorithms, Computer security, Internet Of Things, android app development.
  - ▶ Designed a project for domestic waste management.
  - ▶ Award for Blind Coding Winner 2023.
- [Tribhuwan Higher School](#)  
12th (Commerce) 09/2018 - 07/2020
  - ▶ Successfully completed courses in mathematics, Computing and Statistics with 2.64 GPA
  - ▶ Award for Coding Competition 2020.

## CERTIFICATE

- Data Science and Machine Learning 60 days internship from YBI Foundation.
- Winner of Blind coding At RKU event TechnoPlanet 2023
- iOS Development for Beginners: Master Swift & App by GeeksForGeeks

## EXPERIENCE

- 6 months of technical working experience as an freelancer.
- Integrated Google Maps API and Firebase cloud messaging to enhance application functionality.
- Implemented new features and functionality for Android applications using Java language.
